Nashville, TN 37203

RE: Request for Engineering Statement of Qualifications

Dear Mr. Morgan,

The City of Decherd in cooperation with the City of Decherd's Water Department is requesting statements of qualifications for a consulting engineer for the preliminary project design, final project design, testing, inspection, and other project engineering services as needed for the length of the project. The City of Decherd is considering applying for the Tennessee Department of Environment and Conservation Non-Competitive State Water Infrastructure Grants Program through the American Rescue Program grant funds for improvements to its water system.

Engineering firms will be rated on the following criteria:

1. Past work performance including quality of work, timeliness and cost control;
2. Capacity of firm to perform the work within time limitations;
3. Familiarity of the firm with the problems applicable to the project; and
4. Specialized experience or technical expertise of the firm with this type of project.

Qualified firms should submit proposals by July 26, 2022, to Michael Gillespie, Mayor, P.O. Box 488, Decherd, TN 37324.

Sincerely,

Michael Gillespie  
Mayor
